▶ FROM THE CEO

Silent Ocean Ltd has growing reputation as a Provider of total solutions for Clearing & Forwarding needs. The clearing and forwarding industry in addition to transportation and logistics are ever changing and becoming even more sophisticated.

Players of these industries have to constantly innovate and upgrade their operating methods to serve their clients more efficiently and cost effectively.

"To continue to earn a reputation of integrity, service and diversity that is unmatched in our industry, The Dependable Difference. In order to achieve these lofty objectives, we must hire and retain only the most qualified and dedicated individuals who share The Company's vision."

Our status as a diversified, premiere third party logistics provider is dependent upon our ability to provide only the highest level of service to our customers, maintain a necessary profit margin, and to recognize opportunities and react to changing market conditions well ahead of our competition.

I am extremely proud of our staff and what they have accomplished. Feel free to get in touch with us to serve you.

WHO WE ARE...

WHO WE ARE

Silent ocean Limited is an international clearing and forwarding company with its offices located in various countries including China, Dubai and Tanzania. The company was established in 2004 and has grown rapidly to open up branch offices in various cities around the globe such as Guangzhou, Yiwu and Keqiao cities in China mainland as well as Deira in Dubai.

The sister company in Dubai is also known as Kilimanjaro star cargo.

Silent Ocean Limited is a vital aspect of modern society. It is the predominant form

of freight transport. Nearly ninety percent of material transported across the world .

Silent Ocean Limited is dedicated to provide complete, end-to-end, supply chain management solutions to our clients — regardless of where they are geographically located. Our services are customized to cater every special needs of customer.

Our organization is mould under the following strong core values: These core values make our company shines so bright and be the best among many other company in cargo shipping industry.

› NERTWOKING

Introduction to where we located Worldwide

- Africa
- Asia
- Europe
- America

With over ten 19 years of experience in cargo shipping industry we have managed to expand our network and move beyond our borders to countries nearby Tanzania including Zambia, Congo, Malawi, Rwanda, Kenya and Uganda.

With more than 400 cargo trucks we have been able to transport transit goods to landlocked countries that arrive at Dar es salaam port.

O u r clearing team that handles transit goods has always been clearing the cargo in time without delays as time is the most important factor in this cargo shipping industry.

With more than 400 cargo trucks we have been able to transport transit goods to landlocked countries that arrive at Dar es salaam port.

Sensitive' goods to be cleared solely by state agency

Businesses, engaged in clearing

and forwarding in the importation and exportation of minerals and other natural resources, have only seven days to tweak their undertakings to other areas as the new law takes effect The Tanzania Shipping Agencies Act No. 14 of 2017, empowers the Tanzania Shipping Agency Corporation (Tasac) to exclusively carry out clearing and forwarding functions relating to import and export of minerals, mineral concentrates, machineries, equipment, products and/or extracts related to minerals and petroleum, arms and ammunitions, live animals and government trophies.

“BE UNDENIABLY GOOD. NO MARKETING EFFORT OR SOCIAL MEDIA BUZZWORD CAN BE A SUBSTITUTE FOR THAT.”

WE OFFER

Silent ocean ltd is dedicated to provide complete end to end supply chain management solution to all clients. We do provide logistics service by shipping cargo from various countries in the world in 20/40ft containers to Tanzania mainland as well as other land locked countries such as Congo, Rwanda, Zambia, Malawi and Uganda.

LOOSE CARGO SERVICE (LCL)

Through this mode of cargo shipment, we are able to consolidate goods of various

customers in a single container (20/40ft) and ship them to Tanzania. Many entrepreneurs and small-scale traders prefer this mode of shipment because its hustle free and proves to be much cheaper than any other mode of shipment.

FULL CONTAINER LOAD (FCL)

This mode of shipment allows individual customer to collect all his/her goods in a single container (20/40ft) and ship them to his/her desired location. Our company will arrange cargo loading from the port

of loading, supervise cargo inspection and also provide all required shipping documents such as packinglist, Bill of Lading, Certificate of conformity (CoC) and all other important documents for clearance at port of destination (POD).

exportation of goods documentation is the key. We provide our customers with all required documents for cargo clearance at the port. Starting from packinglists, Original BL, CoC and all other required documents that are required by the government institutions.

OTHER SERVICES

A) FREIGHT FORWARDING SERVICE

We provide the best freight forwarding service with the best competitive price as per customer's expectation. We also ensure that the transit time between the Port of Load (POD) and Port of destination (POD) is minimized so that the cargo arrives in time without delays. Most importantly all cargo onboard the vessel is covered with maritime insurance.

B) DOCUMENTATION SERVICE

When it comes to importation and

C) WAREHOUSING SERVICE

We have a well-organized warehouse facility which is equipped with the most advanced warehouse Management System (WMS) that maintain the inventory in a well systematic manner. All goods are received by a barcode system and well placed in a specific zone. The warehouse is suitable for all kinds of goods ranging from perishable, delicate and fragile goods.

D) EXPRESS DELIVERY

Time is the most vital commodity in cargo shipping business and timely cargo delivery is all what our customers need. We do

arrange cargo delivery to customers location as soon as cargo arrives in Tanzania. In so doing we avoid delays and ensure smooth delivery of customer's goods.

E) BALES COMPRESSING

We do provide bales compressing service whereby garments/clothing items are being compressed using a special machine into cubed shaped bales. We are proud to have a very sophisticated and most powerful machines which allows many numbers of packages of clothes to be compressed at once.

F) MOBILE APP CARGO TRACKING

Through our mobile APP which is available in both platforms of Android and IOS our customers can now be able to track their goods to know the status of their cargo. They can now easily find out to know if the cargo has been received, loaded, arrived in DSM warehouse, ready for payment or if it

has been delivered. Customer can also use the mobile APP to make payment through Mobile network providers such as Mpesa, Tigopesa and Airtel money.

G) VISA PROCESSING

We have always been assisting our clients who intend to travel to China and Dubai in visa application. We do provide invitation letter, business license and other required documents by the embassy in order to facilitate visa processing.

H) EMERGENCY TRAVELLING DOCUMENT (ETD)

Silent ocean Limited being part of Tanzanian community who are living and working abroad has always been in the frontline when it comes to issues involving Tanzanians in China. We have always been helping individuals to get traveling documents whenever the need arises.

I) PICK AND PACKING

We always strive to reduce the workload of our clients while abroad and therefore reduce the hustle that he/she might encounter while delivering the cargo to our warehouse location. As such we have decided to form a team that will always go through the hotels to collect the cargo and take them to the warehouse ready for shipment to Tanzania.

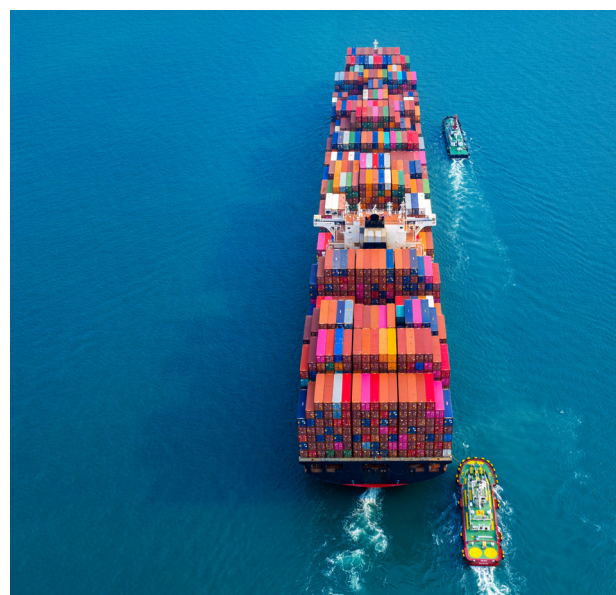

The cargo will undergo through inspection and then repacked nicely before taken to the cargo container.

J) AIRPORT PICKUP

K) COLLABORATION AND PARTNERSHIP

Silent ocean limited has won the trust from

big monetary institutions and other key players in the shipping industry. Through this partnership our customers who would want to ship with us are assured to have the opportunity to get smart loans from the banks for up to 50Million Tanzanian shillings. There are so many other benefits from such collaboration that our company has engaged with.

OUR CORE VALUES

We are committed to treating all customers and any other people that we serve in a way that we would like to be treated ourselves. Therefore, we maintain honesty, diligence, accountability, discipline and integrity at all times.

▶ OUR MISSION

We are committed to continue being the leading freight forwarding company in the country and therefore provide the very best logistic solution to all its clients.

OUR VISSION

We are focused and determined to expand our business in other strategic locations in order to serve more clients. In a very near future several branch offices will be opened up in some other Asian countries as well as few European countries.

OUR COMMITMENT

Silent ocean limited has a dedicated team of experienced freight forwarding and logistics professionals who believe the key to success is to always work with customers to make their freight transport and logistics as seamless as possible for them. As logistic partners we believe that we need to work closely together as a team in order to create a "win win" situation.

We are in the service industry and our aim is to provide our customers with a cost effective and efficient service. We understand that our customers have commitments to their clients. We realize that it is very important that we fulfil our commitment to our customers and enable them to fulfil theirs. A very strong emphasis is placed on communication, both locally and with our clients' suppliers.

› OUR CORE VALUES
